Cookie policy

Last updated: 11/01/2026 · Version 1.0

The cookies used on the website and portals, and how to manage your preferences.

1. Necessary cookies

Session, security and language preference. Cannot be turned off.

2. Preference cookies

Personal settings such as theme, currency and table filters.

3. Analytics cookies

[Tool to be used] · only with your consent.

4. Managing preferences

You can change them at any time from the "Cookie settings" link at the bottom of the page.
